***Response to Election/Restriction***

1. Applicant's election of Group II, claims 14, 38 and 39, in Paper No. 5 is acknowledged. Non-elected claims 1-13, 15-37 and 40-46 have been withdrawn from consideration. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

***Claim Objections***

2. Claims 14, 38 and 39 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claims 14, 38 and 39 are consider improper dependent claims because the claims merely state a tissue graft is obtainable by the method of claims 1 and 38.
